

29TH ANNIVERSARY

KYLE PETTY CHARITY RIDE ACROSS AMERICA

BACKGROUND AND OVERVIEW

In 1995, NASCAR driver Kyle Petty combined his passion for helping others with his love of motorcycles to create the Kyle Petty Charity Ride Across America. One of the most successful and popular charity events in the country, the annual motorcycle trek engages celebrities, Ride sponsors, motorcycle enthusiasts, fans and local communities to raise funds and awareness for Victory Junction. Since the Ride began, 9,350 riders have logged more than 13.1 million cumulative motorcycle miles and raised more than \$22 million for Victory Junction and other children's charities.

The inspiration for the Ride came in 1994, when Petty and three friends rode their motorcycles from North Carolina to a NASCAR race at Phoenix International Raceway. Friends joined the ride along the way, and by the time the group reached Phoenix, it had grown to 30 riders. The turnout inspired Petty, and he decided to nurture the event into something bigger; the Kyle Petty Charity Ride Across America was born.

Victory Junction opened in 2004 in honor of Petty's late son, Adam, and has served as the Ride's primary beneficiary ever since. Located on 84 acres in Randleman, North Carolina, Victory Junction exists to enrich the lives of children with serious illnesses and chronic medical conditions by creating camping experiences that are memorable, fun, empowering, physically safe and medically sound at no cost to their families. Since the Camp opened in 2004, the Ride has helped Victory Junction mobilize resources to provide over 136,000 camp experiences for these deserving children.

For the 29th Anniversary Ride, Kyle Petty will lead approximately 225 riders on an epic journey from Traverse City, Michigan to Hot Springs, Virginia in just seven days! The Ride will depart Traverse City on May 3, 2025 and end in Hot Springs on May 9, 2025.

Fans and spectators along the route may contribute to the Ride's "Small Change. Big Impact." program, which accepts donations at local stops.
